Case ID #: (U) (S)   288-CI-68562- (Pending)

Title: (U) (S)   MOONLIGHT MAZE

Synopsis: (U) (S)   Duke University able to identify department where computer data targeted by Cincinnati as their Biomedical Engineering Department. Additional identifying information required to even attempt to identify which specific computer was used and it is uncertain even that can be achieved. Any of the computers in that department can be used by anyone in that department who has access to the generic password. Additionally, all of the department's computers were scrubbed (erased) approximately October 15, 1998; a fairly standard operating procedure according to Duke's legal counsel. FD-302s of interviews with [_____] Duke's Office of Information Technology and [_____] Duke's Legal Counsel Office are enclosed.

However, a copy was furnished to [   ] of Duke's Legal Counsel Office. (Her office has a long history of excellent cooperation with the FBI and currently employs a retired SA). [   ] will provide all possible assistance, and requested any requirement to seize a computer(s) from Duke come in the form of a subpoena/court order or search warrant directed to her (address in FD-302).

Cincinnati is requested to advise Charlotte how it wishes to proceed.
